Why you need a kitchen extension phone

First, it's a great help in running the house. Your kitchen extension is near your shopping lists, and at your finger tips for emergency calls to the plumber and other repairmen.

Next, it saves you trouble. Biscuits won't burn, or a pot boil over, because a telephone call took you out of the kitchen. And while you handle important house-

hold calls, you can keep a watchful eye on playing children.

It saves you steps, too. When it rings you're right there to say "Hello." Since the kitchen is where you spend so much time, it makes sense to have a telephone handy. (Your husband, like you, will find it one of your most useful phones.)

And when all your work is done it's

easy and fun to take a break and chat with a friend on your handy kitchen extension.

The comfort, privacy and protection of convenient extension phones throughout your house—where you work, play and sleep—cost surprisingly little. To order extensions, just call your Bell Telephone business office.
